Dear Mr. Crossan,

As City Councillor for Orléans Ward 1, I am happy to confirm that I support the steps taken by the Cardinal Creek Community Association in order to obtain a public-private partnership for the construction of a Community Hall in Park 18B. The Cardinal Creek community has been one of the fastest growing neighbourhoods in the East End with a vibrant mix of residents.

The construction of a community hall facility is the next logical step in the development of this community as is one of my top priorities as the elected representative for this area. I have and will continue to work with the Cardinal Creek Community Association and yourself in order to ensure that we can make this dream become a reality and ensure that Cardinal Creek has the necessary amenities to continue to grow.

Should you have any questions or concerns, please do not hesitate to contact my office either by phone (613-580-2471) or email (Bob.Monette@ottawa.ca).

Regards,

Bob Monette
City Councillor
Orléans – Ward 1
