## IMPORTANT NOTICE ABOUT OUTDOOR RINKS

Dear Neighbours:

Your Cardinal Creek Community Association (CCCA) is pleased to operate two unsupervised outdoor rinks this season: one at Cassia Park in the Springridge subdivision, and one at Valin - East Village Park (Valin @ Glandriel ) in East Village / Oakridge Gate.

These rinks are maintained by volunteers: to offer your services, please send an e-mail to [volunteer@cardinalcreek.org](mailto:volunteer@cardinalcreek.org). High school students are welcome to accumulate their required hours through the CCCA outdoor rink program.

The rinks will open once weather conditions permit and proper base ice has been established (end of December / early January). Meanwhile, we invite you to regularly visit [www.ottawarinkconditions.ca](http://www.ottawarinkconditions.ca) to find out the status and conditions of our rinks. Coloured flags will also be installed at both rinks to inform passers-by of rink conditions. Please keep off the ice surfaces when red flags are flying.

**RINK RULES** - Rink rules will be posted both on-site and on the CCCA website at [www.cardinalcreek.org](http://www.cardinalcreek.org). Both Cardinal Creek rinks are open for Public Free Skate and/or Pick-up Hockey from 7 a.m. to Dusk every day. Hockey players are asked to respect rink users who prefer to free skate by not monopolizing the ice surfaces. Please note that special events and school/sports groups with permits have priority for rink use, per our Rink Agreements with the City of Ottawa.

Valin - East Village Rink will be **closed on Saturday, February 21, 2009** for maintenance (7am-1pm) and "Hockey Day in Ottawa" hockey game featuring the Cardinal Creek Community Association versus the Chapel Hill South Community Association (1pm-3pm). Check out [www.cardinalcreek.org](http://www.cardinalcreek.org) in early February for event details.

**Business Owners/Operators:** Ask us about our rink sponsorship opportunities!
